Media marketing that works

## Want to generate **more leads** and convert them into **more Sales?**

Of course you do!

Having your own video on DVD and your website enables you to really engage with your customers and results in more enquiries and an increase in sales conversions - which is always a good thing!

To help you get started and benefit from having your own video we've come up with a great offer - exclusive to Birmingham Chamber members. Here's the deal:

- A professional 'presenter' style video like the one we have above.
- Website version on to your website
- Your own customised 'player' for your website video
- Finalised DVD version
- FREE run of 500 DVD copies of your video, with full colour print and inserted into clear plastic wallets, worth £400.00

**£1,695.00**
